III. Recommendation of the Fifth Committee

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

Financing of the United Nations Preventive Deployment Force

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Preventive Deployment Force[1] and the related reports of the Advisory Committee on Administrative and Budgetary Questions,[2]

Recalling Security Council resolutions 983 (1995) of 31 March 1995, by which the Council decided that the United Nations Protection Force within the former Yugoslav Republic of Macedonia should be known as the United Nations Preventive Deployment Force, and 1186 (1998) of 21 July 1998, by which the Council extended the mandate of the Force until 28 February 1999,

Recalling also its decision 50/481 of 11 April 1996 on the financing of the Force and its subsequent resolutions thereon, the latest of which was resolution 53/20 B of 8 June 1999,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force by certain Governments,

Mindful of the fact that it is essential to provide the account of the Force with the financial resources necessary to enable it to meet its outstanding liabilities,

1. *Takes note* of the status of contributions to the United Nations Preventive Deployment Force as at 30 April 2000, including the contributions outstanding in the amount of 10.8 million United States dollars, representing 8 per cent of the total

assessed contributions from the inception of the Force to the period ending 30 June 1999, notes that some 42 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure the payment of their outstanding assessed contributions;

2. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

3. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

4. *Urges* all other Member States to make every possible effort to ensure payment of their assessed contributions to the Force in full;

5. *Expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

6. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

7. *Emphasizes also* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

8. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,[3] and requests the Secretary-General to ensure their full implementation;

9. *Decides* to authorize the Secretary-General to retain the amount of 904,000 dollars from the unencumbered balance of 1,161,700 dollars gross (1,104,300 dollars net) for the period from 1 July 1998 to 30 June 1999 to cover the costs of outstanding claims from a Government for the rotation of its troops during the prior period;

10. *Decides also* that Member States that have fulfilled their financial obligations to the Force shall be credited their respective share of the remaining unencumbered balance of 257,700 dollars gross (200,300 dollars net) in respect of the period ending 30 June 1999;

11. *Decides further* that, for Member States that have not fulfilled their obligations to the Force, their share of the remaining unencumbered balance of 257,700 dollars gross (200,300 dollars net) in respect of the period ending 30 June 1999 shall be set off against their outstanding obligations;

12. *Emphasizes* that no peacekeeping mission shall be financed by borrowing funds from other active peacekeeping missions;

13. *Decides* to include in the provisional agenda of its fifty-fifth session the item entitled "Financing of the United Nations Preventive Deployment Force".
